

This Term's Focus: Taking Responsibility/Rangatiratanga

**May 21 2019
Term 2 Issue 6**

Start of Day

We have an increasing number of students who are regularly arriving late to school. The school day starts at 8.40 am, we expect our tamariki to be here by 8.30 am. If your child arrives after 8.40 am they **MUST** sign in at the Office and not go directly to class.
Kia ora

Kia Ora te whānau,

Thanks to the people who were able to make it to a consultation meeting regarding the rebuild. Really appreciate the many and varied comments that have been recorded. The next stage in the process is to gather student voice and the wider CAS community. Once all the ideas are collated the challenge will be to look for common patterns, trends and themes. If you were wanting to contribute to this process and were unable to make the meetings, feel free to email or write some responses to the key questions:

What aspects of our history do we value?

What aspects of the school community are we proud of?

When a student graduates from CAS, what would you like them to be like in terms of their skills, attitudes, values, etc

Monday June 3

Queens Birthday School is closed.

To achieve that profile what would we need to do as a school?

What aspects make CAS unique as to how we can be linked to our community currently but also in to the future?

Tuesday June 4

Teacher Development Day. Schools will be closed for students on this day.

I am waiting to hear from PPTA and NZEI as to whether Area Schools are joining the 'super strike' on Wednesday May 29. I anticipate that we will be told tomorrow. If we are striking Collingwood Area School will be closed for instruction on that day. We will notify all parents of the decision via Facebook and the email grapevine tomorrow. Please call Kate in the Office if you are unable to access the internet.

Wednesday Lunch

There will be a canteen each Wednesday lunchtime. Students can place their order for hot food in the Office before 9 am.

A massive congratulations to the nine students who have been selected for the National Area Schools Tournament in Rotorua!

Ngā Hugh

Future Leaders Course

From the 20th to 27th of April, I was given the amazing opportunity to go on a leadership course in Fiji! On this adventure I learnt how to be confident in being a leader, I learnt how to be a fair team member and how to include others ideas to achieve the goal we were given. There was eighteen New Zealand students and twenty Fijian, we all got split up into three different groups with two instructors per group. My group name was 2UNIQUE, the other two groups were called SHNAX, and FINZ. We stayed at an all boys school called Marist Brothers High school in the hostel.

Throughout the week we had activities to do. On the first day my team went to Adi Cakabou Secondary School and we planted one hundred trees in less than two hours. On the second day we went to Mosquito Island, our task was to build a raft that had to fit four people on it (it sunk within a minute....whoops). The next task was to build a hut and the last task we had was to collect rubbish and we managed to collect thirty six bags! On the last day we stayed at the hostel and did fun activities like mind games, we had to communicate with each other to solve the problem.

Overall I had an amazing time and I am so grateful for this opportunity Thank you to Matua Eric for presenting this to me. I have gained lots of new sets of skills, memories I will never forget and have made lifetime brothers and sisters.

Primary Hui Friday 10 May

Taking Responsibility Certificate Winners: Isla, Cooper, Aaron, Jaimie, Libby and Alex.

Primary Hui

Primary Hui are held fortnightly on a Friday. They start at 1.30 pm. Each fortnight a different classroom takes responsibility for the organisation and running of the assembly. It is an opportunity to celebrate achievements, talk about activities that have taken place and discuss future events.

On Friday 10 May Hui was led by Te Kōrari in the Hall.

Cooper from Te Tipuranga read his story and students from Te Kōrari ran the event with assistance from Mr Hanlon.

Parents and whānau are welcome and encouraged to attend if possible. This Friday 24 May hui will be led by Mrs Lenko and Te Puawai.

Te Tipuranga Trip to Heaphy Honey

When we went to Heaphy Honey we had fun! Charlotte and Cooper went with me and my Mum. We were being silly on the way to Nancy Jean and Keith's place and they gave us some honey on crackers and we got to see some bees and a machinery room where they make honey. By Tegan

Yesterday my class went on a trip. It was called Heaphy Honey and it was fun. We got to taste some honey and I did not like it! We got to see machines and it was cool! By Tyne

We love to share our student's successes and rely on whānau and community to share them with us. Please email the Office if you have a story to share: admin@cloud.collingwood-area.school.nz

Pink Shirt Day

Enviroschools

Early on Friday 10th May Isla, Ina, Grace, Connor and I went over the hill to Whenua Iti Outdoors for the Tasman Mission: A Sustainability Race. We joined schools from all over the Tasman region to take part in a fantastic day learning about everything from identifying bugs, trees and predator traps to how to find a bike puncture and which endemic animals live in which native trees. After the race there was a bonus bingo: the teams had to go round the other teams and ask them questions about what they had learned. The first team to bring back their full sheet won. The CAS team did brilliantly during the long day getting round 8 of the activities, showing fantastic teamwork and great focus - and we won the bonus bingo prize!! Ka pai!!

Liv Scott, Enviroschools Co-ordinator

What enviro school has been up to

We went over the hill to do some enviroschool activities. We left at seven fifty and came back at four thirty. There were four students Grace, Isla, Connor and Ina. My favorite activity was one where we had to collect bugs and insects then examine them and figure out what type they were. I had gotten a tiny spider. The group before us had gotten wasps. There were eighteen rotations and only two groups were allowed there at a time.

Grace L

We went to Whenua Iti for the Tasman Enviroschools Meet Up. I liked the traps, it showed us the predators and the non-predators. We also matched up endemic birds and their trees.

Connor

Last Friday we went to the Sustainability Race at Whenua Iti Outdoors. I loved learning about the freshwater animals. I'm glad I'm in the Enviroschools group.

Ina

Last Friday me, Ina, Connor and Grace went with Liv over the hill to Whenua Iti to take part in a Sustainability Race. We completed activities at stations under time pressure. My favourite station was probably the one where we learnt what creatures live in what trees. I had a fun day!

Isla

Library News

Welcome to our Library news for this edition. Now that the weather stress of the summer drought has passed we are enjoying the countryside getting back to its usual emerald green and the autumn colours that are shimmering and spiralling across the hills, sky and playground. Look at the display the student librarians made in our foyer>>>>

There are so many children involved in so many activities alongside their normal classroom learning, it amazes us.

** We are managing twenty student Librarians, some of them new to the job. That means four of them come to break and lunch on one day a week to help out. It's good to see the co-operation and patience between them, so far.

** We have registered for The Hell Reading Challenge. We will be starting when the packs arrive, shortly. This means for any pupils that are interested they will read a certain number of books in a set period of time and when they confirm to us

they've read them we clip or stamp a "slice" of the pizza wheel. At the end, you can get an actual mini pizza from Hell Pizza or we will be having our own Pizza eating rewards lunch on the deck at the Library.

** In the week of 10 to 13 June, we are promoting a Reading and Book week, which will probably have a dress up day on the Thursday 13th June. The theme will be fairy tales, with fairies, elves, goblins, magical or mythical creatures. We are having an author who has written books about fairies come and give a reading. Hopefully each class will have some Fairy Tale themed activity in the week.

** For any crafty pupils - you are welcome to come and carry on with your knitting on Friday in the Library. (Actually, any day, if you want) The knitting group will be gathering on Friday lunchtime.

** Can the Senior pupils please return their overdue library books. A swap of 30 minutes screen time with book time in the evening will solve any problems with getting the book finished!

Thanks for all the pinkness last Friday.... Happy reading, Diane & Donna

Dates for 2019

21 May	BoT Mtg
24 May	Primary Hui
31 May	Primary Hui
03 June	Queen's Birthday
04 June	Teacher Development Day
07 June	Forty Hour Famine
	Primary Hui
14 June	IS Cross Country Yr 1 - 6
	Yr 1 - 7 Disco

Taking Responsibility
Rangatiratanga

Canteen

The Primary classes from Te Rito to Te Kuruwaka will be running a canteen each Wednesday lunchtime this term other than the week of Primary Cross Country where there will be a sausage sizzle on the day.

We have a large surplus of food from the TOSI Tournament and will be selling this to continue fundraising for each classroom. Te Rito and Te Tipuranaga are fundraising for equipment and Te Kōrari, Te Puawai and Te Kuruwaka for their class trips/camps.

On sale will be: Pies \$3.50, Sausage Rolls \$3, Chippies \$1.00, Baking, water and more.

Community Notices

Lance Burdett is coming to Golden Bay
From the front line to the back paddocks
Join safety, wellness and resilience expert Lance Burdett as he tours rural New Zealand.

Following a packed tour of the North Island rural communities, your local Rural Support Trusts are bringing Lance to you. Join your neighbours, friends and other rural people at Lance's specialist presentations:

- Why we remember and exaggerate negative things
 - Why we worry
 - How self-talk can lead to negative self-talk
- How to beat rural challenges like isolation and change

Lance can show you how and why the glut of information we get nowadays causes trouble, and what is happening with our brains when we get stressed.

WHEN: Thursday 23rd May

WHERE: Golden Bay Recreational Centre

WHEN: 5.30 – 6.00 pm Light Meal please RSVP to Abbie, abbie.langford22@gmail.com
6:00pm – 7:30pm Lance Burdett

Book Art Makerspace with Sarah Hornibrooke

What can you make out of an old book?
Join artist Sarah Hornibrooke in a "book art"
project that will take **three consecutive**
weeks to complete.
Starts Thursday 6 June 3.30pm to 5pm

Cost \$10.00 Please book
You need to be between
8 and 99 yrs.
Bring a stanley knife
and embellishments

Try out your skill at computer coding
in these interactive sessions

Basic Coding With Scratch

Mondays 10 June – 1 July 2019
3.45 pm – 4.45 pm
Four sessions
For 9-11 year olds

Advanced Scratch - Build Your Own Platform Game

Tuesdays 11 June – 2 July 2019
3.45pm – 4.45pm
Use advanced coding techniques and concepts to build your
own platform game over 4 weeks.
For 9 – 13 year olds

Amanda Clarke, computer programmer for over 15 years, is using
"scratch" to introduce kids to basic coding.
With Scratch you can program your own interactive stories, games
and animations.

We can provide
some computers but
let us know if you can
bring your own
laptop.

Spaces are limited
Booking essential
Cost \$20.00
