Year 11 - 13 Reports

Are coming home with students today.

Kia Ora tatou,

I referred back to Facebook to get a feel for Term Three now that it is drawing to a close, and I am amazed at the multitude of events, learning activities, trips and visitors that we encountered in ten weeks. It is little wonder we are all a tad jaded and tired, looking forward to a well earned break.

It is with great sadness that we farewell Matua Eric this week. Eric has been at Collingwood Area School for three years and has undertaken a variety of roles including: Physical Education and Outdoor Education, Primary Classes Te Reo and Te Ao Māori, Kapa Haka, Gateway/ STAR, and Counselling. He has been a true rangatira in terms of our journey to be culturally responsive and in honouring Te Tiriti o Waitangi guiding us all. Eric's guidance has empowered us along the way to follow Tikanga in many settings and ensure the mana of manawhenua is upheld.

We will miss his humour and presence in our school and going forward know that he has left a legacy that we must continue to uphold.

Kia ora me nga rangi katoa
mo te heke mai.

Ngā mihi, Hugh

CAS Cross Country

What a fantastic day we finally ended up having for our school Cross Country. It was an amazing effort from all of our tamariki. It was wonderful to see so many of them participating and giving it a go with huge smiles. Thank you to all the whānau who came along to support our children and make it such a fun day.

CAS Cross Country

It ended up being worth the wait for Cross Country day. The sun came out and so did some hilarious costumes and a great display of whānau colours. Top in each category were: 1st Senior Boy - Dallas, 1st Senior Girl - Dani, 1st Intermediate Boy - Ben, 1st Intermediate Girl - Bianca, 1st Junior Boy - Royce and the most impressive result of the day was Isla not only coming 1st Junior Girl but 3rd out of the whole school (boys and girls) with a time of 21 minutes which was 3 minutes quicker than 4th place. Outstanding effort and definitely one to watch.

Art

The Year 10's explored NZ Fauna and Flora this term. They looked at established practice, with artists such as Caroline Morgan, Diana Adams and Stanley Palmer, to inform their paintings. We then looked at close ups, comparing the work of Diana Adams and Georgia O' Keeffe, the American contemporary artist, who was known for her enlarged flowers.

Students then had the challenge to interpret either of these artists, with chalk pastel on black paper as their medium, focusing on blending skills.

EPro8

Last week we took our first team to the Epro 8 competition in Lower Moutere. Epro 8 is an engineering competition where students complete as many tasks in two hours as possible. Our team of Year 5 and 6s, Maryanne, Aaron, Bianca and Logan, created a rollercoaster that carried a sphere from a 1.9-meter tower with lots of turns. They also created a shopping trolley but didn't get to complete the motorised part of it. Despite being in 2nd place with only six minutes remaining the team got pipped right at the end to finish in 4th place and outside the finalist placings.

This was a very well run event with flashing lights and team songs whenever they completed a task, and although they won't be going to the finals I'm sure everyone had a really good time.

Mussel Inn Performers

Two Collingwood Area School students impressed the audience with their piano performances at the Mussel Inn on Sunday 30 August. They played amongst ten singers and ten piano musicians from Golden Bay. Claire and Benji: "Your music sounded very beautiful. Congratulations." Julia Muntwyler

Get2Go Challenge

On Wednesday 16th of September, eight students from Year Ten travelled over to Saxton field in Nelson to compete in the Get2Go Challenge. The challenge included standup paddleboarding, mountain biking, and orienteering and had eleven teams competing. We had a set amount of time for each activity to get as many points as we possibly could. We ended up laughing as we capsized off our paddleboards, tearing our legs up from falling off the mountain bikes, and losing each other and getting terribly confused in orienteering. We ended up coming second to last in the challenge, but it was really just great fun. Asha also somehow managed to fall into a public duck pond. Getting food from the mall was probably the highlight, but overall it was a brilliant trip with our brilliant teacher Mrs Gaddes who deserves a special thanks for making us do it in the first place, and for driving us safely.

Murchison Mini Exchange

From Monday the 14th to Tuesday the 15th of September Collingwood Area School hosted a sports tournament with Murchison Area School. There was a Food Tech and Technology challenge, an Art challenge, drama, soccer, ki-o-rahi, basketball, volleyball, netball, an obstacle course and more.

It was a fantastic experience with lots of good sportsmanship and attitude. We had a great time with the Murchison kids and a few friendships were made. Overall it was an exciting start to the week that we all enjoyed and we can't wait until next year to do it again.

We would like to thank all the teachers, coaches, referees and others who were involved with organising everything. The families who hosted billets, we could not have done it without them. Special credit to Mrs Gaddes for coordinating it all.

Roll on Murchison 2021!

Inter School Maths Quiz

On September 09 eight students went to Motupipi School to take part in the Annual Inter School Maths Quiz. Our Year Five Team of Aaron, Zach, Tim and Maryanne came in First Place and the Year Six Team of Wyatt, Logan, Bailey and Jacob came in Third Place!

Thanks to Lyndon for organising!

Inter School Chess Tournament

Yesterday eight students went to Motupipi Hall to compete in the IS Chess Tournament. They all won some games and had a great time. Thanks to everyone who helped!

Library News

The School Library Association of New Zealand Aotearoa (SLANZA) is currently running a national campaign focused on increasing public awareness of school libraries and the critical role they play in transforming lives and communities. In some NZ schools, libraries have been repurposed leaving many without a library, or a librarian.

We want to remind the community that school libraries are an indispensable resource that transforms people's lives and the communities they serve. SLANZA believes that all school students in New Zealand should have access to effective school library services that will support their reading and learning.

The Library at our school is very fortunate to be well supported by its Board of Trustees, staff and school community but we feel that this is an issue of national importance critical to the wellbeing of our nation's children. To find out how you can help us support this campaign please visit

SLANZA's [School Libraries Transform](#) website and sign the [petition](#).

- WE have a new display of children's art based on a famous book. Mrs Heywood challenged the Year Six & Seven pupils to make drawings of WHERE THE WILD THINGS ARE.
- Benji reading a graphic novel. We know Graphic novels are very popular. Keep looking out for new ones that we have on display, and keep checking back on our shelves for some you may have missed. You can even reserve one.
- Braxton showing us how fantastic he is at colouring in.
- The very special pupils that went to the Takaka Library Quiz on 3 September with their prize book. They did a great job and, better than last year and only a few points away from the top teams.

Be sure you come in and stock up on some holiday reading books.

Happy holidays, Diane and Donna

Golden Bay Swimming, 2020 – 2021 Season

Call for Registrations of Interest to Enrol

Golden Bay Swimming Club is readying for the 2020-2021 season of swimming lessons and we are calling for registrations of interest in enrolling your child/children.

We're a not-for-profit organisation run by volunteer coaches and committee, and we use the open-air lane pool at Golden Bay High School. Our swimming lessons run for 16 weeks during the warmer months in Terms 4 and 1. Though, this coming season, our entry level lessons (Eels) will be starting in Term 1 of 2021.

We teach children aged 8 and up, and places are limited. If you would like to enrol your child / children for this coming swim season, please register your interest by 12 October 2020.

Email the following details with the subject heading "Enrolment 2020" to coachingteam.gbswimming@gmail.com.

- Your child's full name
- Date of birth / age
- Contact phone number
- Parent / guardian name

Once we have finalised the timetable, we will email all applications with details on fees, season dates, lessons programme and invitation to register by 19 October 2020.

We look forward to teaching our young swimmers this coming season.
